*Updated 3/3/2019*

## **“TEE-BALL” DIVISION RULES**

**All official Little League rules are applicable except where exception by local rules are outlined, as follows,**

1. **Safety first** – Safety of the players, coaches and spectators is paramount. Coaches have the responsibility to stop any unsafe act immediately. Be especially vigilant for children around the batter. Use only the Soft-tee balls (no hardballs are to be used).
2. **Player Development** – Tee ball is about player development, not competition. ALWAYS be positive when making a correction or suggestion to a player. Have fun and teach the basics that will be the building blocks for future development.
3. **Sportsmanship** – Reinforce fair play and sportsmanship at all times. Do not tolerate temper tantrums, especially where a child throws balls, bats or other equipment in anger or frustration (see rule 1).
4. **Uniforms** – Reinforce with players the proper way to wear his/her uniform (especially caps). At more senior levels, players will be precluded from playing if they are not in proper uniform.
5. **Equipment**- Only league approved bats shall be used in games and practices. Coaches shall inspect helmets to make sure that they are in good working order (contains all of the pads and no cracks). No stickers or decals are allowed on them. All players shall wear groin protection.
6. **Don't Keep Score!** Tie games are perfectly acceptable!
7. **Length of Games:** Each game is limited to 1 hour and 30 minutes. The field must be cleared at the end of the time limit even if an inning has not concluded.
8. **Field Clean-up** – Coaches are responsible to ensure that their side of the field and areas used by spectators are clean of trash at the end of the game.
9. **Dugouts**- No player shall stand in the dugout entrance where a foul ball can hit them.
10. **Throwing the Bat**- If the batter throws the bat, please stop the game and coach everybody on the safety issues.
11. No smoking of any kind (vape included) nor the consumption of alcohol is allowed by a coach on the field or dugout.

## **GAME RULES**

1. **Field-** The base length shall be 60 feet and the pitcher's mound shall be 46 feet and the pitcher's circle shall be 10 feet in diameter.
2. **Batting** –The whole team bats each inning, Coaches should announce to the fielding team when the last batter comes up to bat. When the last batter hits the ball, all runners should advance to home including the batter.

## **TEE-BALL RULES**

### **Offensive Team:**

1. **At Bat** – Coaches tee up the ball; batters are allowed three attempts to hit the ball on his/her own before the coach must assist the batter. The batter and all base runners must wear helmets at all times.
2. **Batting Order** – Switch the batting order every game so that the same child does not bat at the bottom of the order each time up.
3. **Coaches** -- Use at least two coaches while the team is at bat: one to assist the batter and one to line up the children in batting order and assist the next batter in getting ready.
4. **No on deck circle** – the only batter shall hold a bat. The next batter in the order should have a helmet (if available), but not a bat while waiting his/her turn.
5. **Running the bases** –runners shall advance one base when the ball is hit (unless the ball is hit into the outfield unobstructed). If a runner is out, the player will go the dugout. Also, on plays where the ball is overthrown in the infield allow the runner to advance one base only. Stealing bases are not allowed.

### **Defensive Team:**

1. **Players on the field** -- All of the players present will play in the field. Use no more than 5 infielders plus the pitcher (all regular infield positions plus one player just behind second base). Keep the infielders back to at least the base line. After the play is over, the closest Coach to the ball should instruct the fielder to throw the ball to the pitcher who should then throw it to the Coach on the opposing team who is helping the batter. Rotate infielders and outfielders after every inning.
2. **Teach Positioning** -- Teach the players about positioning ... don't let them cross the field chasing a ball or bunch up around a base. Teach them how to back-up a play and where to go (cover a base, back up ...) when the ball is not hit to them.

3. **Coaches** – Use no more than four coaches on the field at one time, two in the infield and two in the outfield. Infield coaches should stand behind the infielders and not obstruct the view of the outfielders. Allow only one over-throw before stopping the play.

4. **Catcher**- A catcher shall wear full catcher's equipment and stand off to the side when the batter is at bat.

ABOVE ALL – HAVE FUN!
